ROLLED BARLEY**JUMPS IN PRICE**

The interesting news that rolled barley, which is imported to this Territory in large quantities from the Coast, has risen from \$5 to \$8 per ton in price in the last two weeks, will cause a good deal of surprise among the local dealers. F. L. Waldron, the local commission merchant, has received advice to this effect and states that the supply is so short that even at the almost unheard of price of \$8 per ton, it is practically impossible to get quotations.

On last Monday the price of barley rose \$2 in the one day, making two jumps of a dollar at a time. The importations of barley to this Territory amount to over 1200 tons per month so it can be seen that the users of the feed in this city will be somewhat out of pocket as the result of the high price.

The reasons given for the sudden advance are that there has been a tremendous demand for barley for exportation of late and that the manipulations on the Exchange have also had a hand in bringing up the cost to this abnormal figure.

CHILLINGWORTH IS**NOT DISCOURAGED**

Two steamships of the Allen line have been chartered to take more Japanese to Vancouver. Senator Charles Chillingworth says that Brazil alone is willing to take 20,000 as laborers. The S. S. Indravelli is supposed to arrive here on January 25 to take 600 Japs to Vancouver. Two months later the S. S. Dean of Ruthven will be ready to take 1200 to Brazil. Chillingworth and S. K. Muriyama say these things are so and display the contracts to back their words.

Chillingworth says that he and Muriyama were personally losers on the expedition of the S. S. Kumerle from here to Vancouver with 1100 Japanese. Muriyama says it was through the opposition of the Vancouver authorities that he was unable to collect from the Japanese all the money that had been advanced to them for the \$25 head money which each was required to put up to render them admissible to Canada.

MAY GO DIRECT.

From the following, clipped from the Call October 8, it may be that no Japanese from Hawaii will take the Brazilian trip, all the necessary laborers sailing direct from Japan on the direct steamers mentioned. The Call says:

RHEUMATISM.

So little confidence has the average man in the various cures for rheumatism that he often suffers for years without making any effort to find relief. He then finds that it has become chronic. This is a mistake, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Pain Balm. The relief from pain which it affords is almost worth many times its cost. It makes sleep and rest possible. For sale by all dealers. Benson, Smith & Co., Ltd., agents for Hawaii.

SORE HANDS**Red, Rough Hands, Itching Burning Palms and Painful Finger Ends****ONE NIGHT TREATMENT**

Soak the hands on retiring in a strong, hot, creamy lather of CUTICURA SOAP. Dry, and anoint freely with CUTICURA, the great skin cure and purest of emollients. Wear, during the night, old, loose kid gloves, with the finger ends cut off and air holes cut in the palms. For red, rough, chapped hands, dry, fissured, itching, feverish palms, with shapeless nails and painful finger ends, this treatment is simply wonderful.

Millions of Women Use Cuticura Soap

Exclusively, for preserving, purifying, and beautifying the skin, for cleansing the scalp of crusts, scales, and dandruff, and the stopping of falling hair, for softening, whitening, and soothing red, rough, and sore hands, in the form of baths for annoying irritations, inflammations, and chafes, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and for many sensitive antiseptic purposes which readily suggest themselves to women, and especially mothers, and for all the purposes of the toilet, bath, and nursery. No amount of persuasion can induce those who have once used it to testify other, especially for preserving and purifying the skin, scalp, and hair of infants and children. CUTICURA SOAP combines delicate emollient properties derived from CUTICURA, the great skin cure, with the purest of cleansing ingredients and the most refreshing of flower odors. No other medicated soap ever compounded is to be compared with it for preserving, purifying, and beautifying the skin, scalp, hair, and hands. No other foreign or domestic toilet soap, however expensive, is to be
